BE PART OF SOMETHING BIGGER

Serenity in the Stadium is back in 2025 – and this year, we’re inviting workplaces, sporting clubs, and community groups to join us on the hallowed turf, as a team. Together, we’ll move, breathe, and reflect as part of an unforgettable community celebration physical activity supporting mental health.

Led by Wonder Yoga’s Sally Ferris, this one-hour guided yoga session is accessible for all fitness levels and brings together movement, mindfulness, and social connection.

Whether you’re a yoga pro or a first-timer, this event is about creating space – for yourself and for your community.

Serenity in the Stadium is a collaboration between Read the Play and Active Geelong.

All proceeds from the event will support their shared mission to improve mental wellbeing and promote active, healthy lifestyles across the Geelong community.
